INTERNSHIP / EXPERIENCE

Data Science Intern
QUEST INFOTECT SOLUTIONS (02/06/2025 - 02/07/2025)

- Analyzed student demographic and health datasets using Python and SQL
- Performed data cleaning, preprocessing, and exploratory analysis
- Created interactive dashboards using Power BI for insights visualization
- Improved data accuracy and reporting efficiency

PROJECTS

Energy Load Prediction System

- Built a time-series analysis model to predict energy consumption
- Applied moving averages, smoothing techniques, and visualization methods

Student Performance Analysis

- Analyzed academic datasets to identify performance trends
- Used Python, Pandas, and Matplotlib for data insights

Sales Dashboard using Power BI

- Designed dynamic dashboards for business performance tracking
- Implemented filters, KPIs, and interactive visuals
